Important Information about the Complimentary Cover Available

Introduction

This booklet describes the complimentary insurance benefits provided by Allianz, which are available to HSBC cardholders and other eligible beneficiaries. Cover applies to events occurring on or after 30 September 2022. You are not covered for events occurring after termination of, or the expiry of, the period of the group policy. HSBC will provide accountholders with details of any replacement cover.

Allianz – the insurer

These covers are available under a group policy issued to HSBC Bank Australia Limited, ABN 48 006 434 162, AFSL 232595 of Level 36, Tower 1, International Towers Sydney, 100 Barangaroo Avenue, Sydney, NSW 2000, Australia, by AWP Australia Pty Ltd, ABN 52 097 227 177, AFS Licence No 245631 trading as Allianz Global Assistance of 310 Ann Street, Brisbane QLD 4000 (Allianz Global Assistance) under a binder from the insurer, Allianz Australia Insurance Limited, ABN 15 000 122 850, AFS Licence No. 234708, Level 16, 10 Carrington Street, Sydney, NSW 2000 (Allianz). For general enquiries call Allianz Global Assistance. Allianz Global Assistance issues and manages the group policy on behalf of Allianz.

The covers described in this booklet are available for your benefit under a group policy entered into between Allianz Global Assistance and HSBC. HSBC is the policy owner. When eligible, you have the benefit of cover as a third party beneficiary by reason of the statutory operation of Section 48 of the Insurance Contracts Act 1984 (Cth).

There is no obligation to accept any of these benefits. However, if you wish to claim any of these benefits, you will be bound by the definitions, terms, conditions, limits, exclusions and claims procedures contained in this booklet.

Please read this booklet carefully and keep it in a safe place. Also please keep detailed particulars and proof of any loss including HSBC card account statements showing any purchases.

HSBC is not the issuer (insurer) of this cover

HSBC is not the issuer of these covers and neither it nor any of its related corporations guarantee or are liable to pay any of the benefits under these covers.

These benefits are available to the beneficiaries upon meeting the eligibility requirements under these covers. Neither HSBC nor any of its related corporations are Authorised Representatives of Allianz, Allianz Global Assistance or any of their related companies and HSBC does not receive any commission or remuneration in relation to the insurance set out in this booklet.

Termination or variation of cover

HSBC or Allianz Global Assistance may terminate or vary any one or all of the covers described in this booklet, and if so HSBC will notify accountholders of the termination or change in writing. The existing cover will only apply to events occurring before the date of change or termination. No cover is available for events occurring after the date of termination. HSBC will provide accountholders with details of any replacement cover.

Other insurances

If you are entitled to receive a benefit or make a claim under another insurance policy (Other Policy) (for example, a comprehensive travel insurance policy for your overseas journey), in respect of the same loss as your claim under the group policy, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth) Allianz is not liable to provide indemnity under the group policy until the amount of any indemnity under that Other Policy is exhausted. In other words, any cover available under the group policy in respect of the same loss shall only be excess insurance cover over and above the applicable Other Policy.

If you make a claim under another insurance policy and you are not paid the full amount of the claim, then, subject to the provisions of the Insurance Contracts Act 1984 (Cth), the cover available to you under the group policy will make up the difference, to the extent of cover that applies, in accordance with the terms and conditions contained in this booklet.

We may seek contribution from your other insurer. You must give us any information that we reasonably require to help us make a claim from the other insurer.

Limitation of cover

Irrespective of any other provision of the policy, we shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund on premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose us to the risk of any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Conditions

If you make a claim, you will need to provide proof of your ownership and the value of your belongings. Examples of proof include receipts and/or valuations (e.g. receipt or valuation for jewellery).

If you cannot prove the value of the items, the most we will pay for each individual item is 10% of the limit shown for that type of item in the Part C - Benefit Limits - 4.1 Luggage.

We expect you to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the loss or theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to as this may be the easiest way to provide evidence of the loss or theft. If you delay or fail to make a report and we are prejudiced by your delay or failure, we may be entitled to reduce your claim by the amount of prejudice we have suffered.

If you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred we will deduct the amount you are entitled to from any claim payable by us. However, if you are not reimbursed the full amount of your loss, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of the cover available.

Part E - The Cover Available

Epidemics and Pandemics (COVID-19)

If, during the period of cover available, you (including your spouse and/or dependants who are eligible for cover) are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic, such as COVID-19, cover is available to you under the following sections:

- 1.1 Cancellation

If your travel companion is positively diagnosed as suffering a sickness recognised as an epidemic or pandemic, such as COVID-19, which impacts your journey, cover is available to you under the following sections:

- 1.1 Cancellation

Terms, conditions, limits and exclusions apply. Please refer to Part D - General Exclusions and the exclusions set out in each of the above sections.

For example, you will not be covered if you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic while travelling against an advice or warning issued by an Australian government and you did not take reasonable care to avoid contracting the sickness (for example by delaying travel to the country or part of the country referred to in the warning), refer to General Exclusions 5 and 11 in Part D for more information. Please note, this also applies even if the Australian government has given you permission to travel or you fall under a specific exemption where there is otherwise a travel ban in place that prohibits you from travelling.

For all other sections and any other claim arising from, or related to, epidemics or pandemics, there is no cover.

Section 1.1 Cancellation

1.1.1 What we cover

If, during the period of cover available, your journey is cancelled, disrupted or rescheduled because of circumstances that were not expected or intended by you and are outside of your control (including if you or your travel companion are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic, such as COVID-19, which reasonably prevents you from travelling), we will reimburse you:

Unused travel and accommodation arrangements

- a) The non-refundable portion of unused travel and accommodation arrangements scheduled to be used during the period of cover available for your journey, that you have paid in advance of cancellation or disruption and cannot recover in any other way, limited to the maximum total limit specified in Part C - Benefit Limits - 1.1 Cancellation.

Travel agent's fees

- b) Your travel agent's cancellation fees and any commission or service fees retained by your travel agent, limited to the amount of commission or service fees that your travel agent would have earned had your journey not been cancelled or the amount specified in Part C - Benefit Limits - 1.1 Cancellation, whichever is the lesser.

Frequent flyer, airmiles, loyalty points & vouchers

- c) For the value of frequent flyer points, air miles, loyalty card points, redeemable vouchers or other similar schemes lost by you as a result of cancelling the services paid for or obtained with those points, air miles, vouchers or schemes, but only if you cannot recover your loss in any other way.

We calculate the amount we pay you, which is limited to the maximum total limit specified in Part C - Benefit Limits - 1.1 Cancellation, as follows:

- for frequent flyer points, air miles or loyalty card points:
 - the cost of an equivalent booking based on the same advance booking period as your original booking less any payment you made toward the booking, multiplied by
 - the total number of points or air miles lost,
 - divided by the total number of points or air miles used to make the booking.
- for vouchers, the face value of the voucher. If there is no face value on the voucher we will pay the market value.

Rescheduling your journey

- d) Your reasonable costs of rescheduling your journey. The most we will pay for rescheduling your journey is the unrecoverable amount that would have been payable under sub-sections 2.1.1 a], b] and c] had your journey been cancelled. We will not pay a claim under sub-section 2.1.1d] in addition to a claim under sub-sections 2.1.1a], b] and c] for the same services/facilities.

Conditions

If you want to claim under the cover available, you should do the following as soon as possible after the happening of the unexpected event causing your claim:

- cancel any pre-arranged travel and accommodation scheduled to be used during the period of cover available for your journey that you are now unable to use; and
- recover any refund that you are entitled to.

If you think that you may have to cancel your journey or shorten your journey, you should tell us as soon as possible. For more information, see under the heading Claims or call the contact number shown on the inside front cover of this booklet.

If you fail to cancel your pre-arranged travel and accommodation arrangements and we are prejudiced by your delay or failure, we may reduce any amount payable by the amount of prejudice we have suffered.

If your claim is related to your fitness to travel, you should provide us with written confirmation from a medical adviser.

1.1.2 What we exclude

To the extent permitted by law we will not pay your claim if:

- a) you were aware, or a reasonable person in your circumstances would have been aware before you became eligible for the cover available, of any reason that may cause your journey to be cancelled, rescheduled or shortened;
- b) caused by you or your travel companion changing plans;
- c) caused by financial default or financial collapse of a services provider with whom you make a booking or the financial default or financial collapse of any company, organisation or person with whom they deal;
- d) caused by an act of terrorism.

Section 2.1 Flight Delay

If during the period of cover available for your journey, the departure of your domestic flight, is delayed for the period specified in Part C - Benefit Limits - 2.1 Flight Delay, due to circumstances outside your control and no alternative transport is provided by the carrier, we will reimburse the cost of your reasonable additional meal and accommodation expenses, up to the amount specified in Part C - Benefit Limits - 2.1 Flight Delay.

2.1.2 What we exclude

We will not pay if a delay to your journey arises from an act of terrorism.

Section 3.1 Luggage

You must take all reasonable precautions to safeguard your covered items and your valuables. If you do not, we will not pay your claim. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:

- at such a distance from you that you are unable to prevent them being taken; or
- with a person who is not a travel companion or a relative (or if these persons fail to take all reasonable

precautions to safeguard your covered items or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them.

3.1.1 What we cover

a) If, during the period of cover available for your journey, the following covered items or valuables:

- baggage, clothing or personal valuables;
- portable electrical equipment, laptop computers and associated equipment/accessories, binoculars, cameras and associated equipment/accessories;

are stolen, accidentally damaged or are permanently lost, except when:

- left in a vehicle (see sub-section 3.1.1 b] below); or
- are valuables left in a vehicle or checked in to be transported in the cargo hold of any aircraft, ship, train, tram or bus (see sub-section 3.1.1 c] below).

The amount we will pay (acting reasonably) will be the lesser of:

- the depreciated value after allowing for age, wear and tear (see the Depreciation section for details);
- the original purchase price;
- the replacement cost; or
- the repair cost.

We will not apply depreciation to any item we pay for where less than 12 consecutive months have elapsed since the item was purchased new.

A pair or related set of items, for example (but not limited to):

b) Covered items specified in 3.1.1a] that are left in a vehicle during the period of cover provided for your journey

are only covered during daylight hours and must have been left in a concealed storage compartment of a locked vehicle, and in the event of theft forced entry must have been made. The most we will pay is up to the total amount specified in Part C - Benefit Limits - 3.1.1b] Luggage for all covered items stolen from a locked vehicle.

c) No cover is available for valuables left in a vehicle at any time or valuables checked in to be transported in the cargo hold of any aircraft, ship, train, tram or bus including any loss from the point of check in until collection by you from the baggage carousel or collection area at the end of your flight, voyage or trip. However, cover will be available for loss theft or accidental damage to laptops, tablets and mobile/smartphones when (without prior notice) you are directed by the airline with whom you have a flight booking to place the laptop, tablet or mobile/smartphone into your checked in baggage or overhead cabin locker for the duration of your flight.

Conditions

If you make a claim, you will need to provide proof of your ownership and the value of your belongings. Examples of proof include receipts and/or valuations (e.g. receipt or valuation for jewellery).

If you cannot prove the value of the items, the most we will pay for each individual item is 10% of the limit shown for that type of item in the Part C - Benefit Limits - 3.1 Luggage.

We expect you to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the loss or theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to as this may be the easiest way to provide evidence of the loss or theft. If you delay or fail to make a report and we are prejudiced by your delay or failure, we may be entitled to reduce your claim by the amount of prejudice we have suffered.

If you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred we will deduct the amount you are entitled to from any claim payable by us. However, if you are not reimbursed the full amount of your loss, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of the cover available.

3.1.2 What we exclude

To the extent permitted by law, we will not pay a claim in relation to your covered items and valuables if:

- a) the loss, theft or damage is to, or of, covered items or valuables left behind in any hotel or motel room after you have checked out, or items left behind in any aircraft, ship, train, tram, taxi or bus;

- d) the loss or damage arises from ordinary wear and tear, deterioration, atmospheric or weather conditions, insects, rodents or vermin;
- e) the covered item or valuable disappears in circumstances that cannot be explained to our reasonable satisfaction;
- f) your claim arises from a government authority confiscating, detaining or destroying anything;
- g) you do not take all reasonable precautions to safeguard your covered items or valuables. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:
 - at such a distance from you that you are unable to prevent them being taken; or
 - with a person who is not a travel companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your covered items or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them;

- h) the covered item or valuable has an inherent defect or an electrical or mechanical breakdown;
- i) the covered item or valuable is fragile or brittle or is an electrical component and is broken unless the breakage was caused by theft, fire or an accident involving a vehicle in which you were travelling; or
- j) the loss or damage arises from scratches occurring to lenses or screens of covered items or valuables however caused.
- k) the covered items were sporting equipment that were damaged during use.

Section 3.2 Luggage Delay

3.2.1 What we cover

If during the period of cover available for your journey any of your covered items are delayed, misdirected or misplaced by the carrier for the period specified in Part C - Benefit Limits - 3.2 Luggage Delay, we will reimburse you for the reasonable costs you incur for you to purchase essential items of clothing or other personal items, up to the amount specified in Part C - Benefit Limits - 3.2 Luggage Delay.

Conditions

You will need to make reasonable efforts to obtain confirmation from the carrier who was responsible for your covered items confirming that your items were delayed, misdirected or misplaced as this may be the easiest way to provide evidence of the delay.

We will deduct any amount we pay you under this section from any subsequent claim you make for lost covered items payable under Section 3.1 Luggage.

If you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred we will deduct the amount you are entitled to from any claim payable by us.

However, if you are not reimbursed the full amount of your loss, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of cover available.

Claims

How to make a claim

Please do not contact HSBC in the event of a claim.

First check that you are entitled to claim by reading the appropriate section in this booklet, especially Part D of that section, to see exactly what is, and is not covered, noting particularly any conditions, limitations and exclusions.

Allianz Global Assistance administers the benefits available under the group policy. You should give Allianz Global Assistance notice of your claim as soon as possible.

In order to be sure that any expenses you claim are covered by the group policy you should always, when practicable, contact Allianz Global Assistance for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred up to the amount we would have authorised had you asked us first.

You are not covered for any claim made after termination of, or the expiry of, the period of insurance specified in the group policy. HSBC will provide you with details of any replacement cover.

You can lodge your claim using the contact details on the inside front cover of this booklet.

Allianz Global Assistance will consider your claim within 10 business days of receiving a completed claim form and all necessary documentation. If they need additional information, a written notification will be sent to you within 10 business days.

If there is a delay in claim notification, or you do not provide sufficient detail for Allianz Global Assistance to consider your claim, we can reduce any claim payable by the amount of prejudice we have suffered because of the delay.

You should give any information Allianz Global Assistance reasonably asks for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of purchase and ownership. If required Allianz Global Assistance may ask you to provide them with translations into English of any such documents to enable their consideration of your claim.

You should co-operate at all times in relation to providing supporting evidence and such other information that may reasonably be required.

In particular:

- If you think that you may have to cancel your journey or shorten your journey you should tell us as soon as reasonably possible. Contact Allianz Global Assistance

using the contact number, or if overseas the 24-hour Emergency Assistance number, shown inside the front cover of this booklet.

- In the event of an emergency or admission to hospital overseas or for medical, hospital or dental claims, contact Allianz Global Assistance as soon as practicable.
- For loss or theft of your covered items or valuables, you should report it as soon as possible to the police and obtain confirmation of your report. If you delay or fail to make a report, we may reduce or refuse your claim to the extent we are prejudiced by your delay or failure.
- For damage or misplacement of your covered items or valuables, caused by the airline or any other operator or accommodation provider, report the damage or misplacement as soon as possible to an appropriate official and make reasonable efforts to obtain a written report, including any offer of settlement that they may make.

Depreciation

When taking into consideration the age of a covered item or valuable we will (acting reasonably) deduct the following amounts from our settlement for each item you have claimed:

- For toiletries and medication (including skin care, make-up, perfume, deodorant and aftershave) we will deduct 50% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For mobile phones, smart phones, electrical devices, communication devices, all computers (including laptops and tablets), photographic equipment and electronics equipment we will deduct 20% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For clothing, footwear, luggage and books we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments we will deduct 10% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For jewellery we will not make any deduction. Please note, watches are not considered jewellery and are included under other items below;
- For all other items we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%.

For example:

You have a \$500 digital camera that was purchased 2 years before the date it was lost. The rate of depreciation would be 20% per year.

In settlement of your claim we would pay you \$300 (i.e. we will depreciate the value of the digital camera by 20% of the purchase price for each of the 2 years you have owned it), calculated as follows:

Year 1 - Purchase price of \$500 less 20% (\$100) = \$400

Year 2 - Depreciated value of \$400 less 20% of the purchase price (\$100) = \$300

Claims are payable in Australian dollars

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense. Payment will be made by direct credit to a bank account nominated by you.

Recovery

If we have a claim against someone in relation to the money we have to pay or we have paid, you must take reasonable steps to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you should inform us of such third party.

When making a claim you should tell us about any other insurance under which you are or might be able to claim. If you can claim from another insurer and we also pay you in respect of the same insured event, then you will be required to refund to us the amount we paid if the other insurer also pay you.

You cannot claim from us and from the other insurer to obtain an aggregate amount that exceeds your loss.

If during the period of cover made available, you suffer a loss which is not covered by the group policy, we may offer to attempt to recover your uninsured loss for you.

You may specifically ask us to recover this for you however, we have no obligation to do so. You will need to give us documents supporting your loss. Before we include any uninsured loss in a recovery action, we will also ask you to agree to the basis on which we will handle your uninsured recovery action. You may need to contribute to legal costs in some circumstances.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. To us, our costs (administration and legal) arising from the recovery.
2. To us, an amount equal to the amount that we paid to you under the group policy.
3. To you, your uninsured loss (less your excess).
4. To you, your excess.

Once we pay your total loss (including your uninsured loss and any excess) we will keep all money left over.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you will need to pay us the amount of that payment up to the amount of the claim we paid you.

How GST may affect your claim

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

Fraud

When making a claim you have a responsibility to assist us and to act in an honest and truthful manner.

If any claim is fraudulent in any way or if you or anyone acting on your behalf uses fraudulent means to make a claim on the cover described in this booklet, then no payment will be made in regard to the claim. Also HSBC will be informed of the situation and you may no longer be eligible for the cover described in this booklet.
